

Dear Parents

AQUA BOX - A message from Preston Rotary Club

Dear Children and Parents,

Your Head Teacher and staff kindly arranged for you to fill an Aqua Disaster Box recently. Your response was amazing and you filled a complete Aqua Box. So, on behalf of myself, my Rotary club, but more importantly, the Family that will have received this box, a very very big thank you to you all. This was before the Haiti disaster so you will now know what a huge difference this will have made to the lives of the family that will have received your Box. Can you imagine what life would be like if you were going home from school one day and suddenly the earth shakes and when you get to your house it is no longer a house but a pile of rubble? In an instant you have nothing but then your family receive an Aquabox and at once you have the tools to start to rebuild your life and to make drinkable water. Thank you again from the Unknown Family.

Yours

Paul Andrews, Preston Rotary Club.

NURSE DROP IN SESSIONS

As from the 5th February, the Nurse will be offering Drop-ins on a Friday morning from 8.45 a.m. to 9.30 a.m. in the Pupil Support Centre, in the KS1 building.

SWIMMING KIT

We are extremely fortunate to have our own heated swimming pool on-site and to be able to offer swimming lessons throughout the year. Swimming at Oldway is an important part of our P.E. curriculum and an important life-skill, particularly when our pupils live near the coast. Please ensure that your child has the appropriate kit in school and is able to make the most of this facility.

HALF-TERM

Half term begins at 3.15pm on Friday 12th February. Children return to school on Monday 22nd February

NOROVIRUS

Please see overleaf the current advice from the Torbay NHS Care Trust regarding reducing the risk of this infection.
