Dear Parents

Universal Infant Free School Meals

In a letter earlier this week, I asked if you would please order your free school meal entitlement for your child this Thursday, census day.

This helps the school by granting us additional funding that we can use to support your children's education.

We have looked further into this, and the meal must be taken by the children, in order for us to record this for the census. Unfortunately, that means that meals ordered, but not taken, wouldn't count, and then could result in wasted food. Neither of which any of us would want.

Please can I ask that you take a look at the menu for Thursday, and consider your child taking a free school meal. It really will make a difference.

For pupils in Class 15 who are away on a trip on Thursday 18th, a packed lunch has already been ordered for each child so there is no need to place an order.

Thank you for working with me to get the best for all our children.

Yours faithfully

Mr S Biddles

Headteacher, CEO
