**Headteacher** Mrs Emma Bamber

**11th September 2026**

Dear Parents/Carers,

We would like to invite you to your child's **Reception Insite Morning**. This event will give you the opportunity to come into school and work alongside your child. The aim of the session is to share how we teach phonics in Reception, as well as provide you with some practical ideas and resources to use at home.

During the session, you will be seated with your child so that you can observe and practise using the phonics materials together. These resources are part of the **Read Write Inc. phonics scheme**, which Reception and KS1 have been successfully using over the past year. The scheme aims to establish strong foundations for the development of reading and writing.

We appreciate that attending during the school day may be difficult for some families. If you are unable to come, grandparents or another significant adult are very welcome to attend in your place. While it is important that an adult joins the session if possible, please do not worry — our intention is not to place additional pressure on working parents. If attendance is problematic, please speak with your child's class teacher.

The workshop will last approximately **45 minutes**. After dropping your child off at their classroom, you are welcome to enjoy a coffee while waiting on the balcony outside the Conference Room.
