

Who made the world?

Christian and Jewish beliefs

Some people believe that the world was created by God.

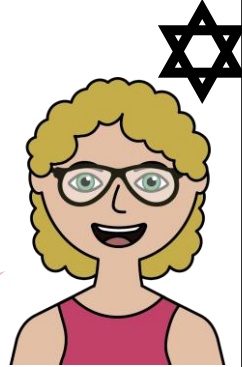

Danny

There's a story in the Bible about how God made the world.

I know the story, too.
It's in the Torah.

Sarah

The book of Genesis tells the Christian and Jewish story of creation. It says God made the world in 6 days and rested on day 7. Most Christians and Jewish people think this is a story to learn from.

Looking after the world

The story teaches Christian and Jewish people to look after the wonderful world God made for them.

A big mistake

God gave Adam and Eve one rule –
Do not eat the fruit from the tree in the middle of the garden. They broke God's rule!
Adam and Eve had to leave God and the beautiful garden.

Christians believe God had a rescue plan for his people...
