

October 2025

Head of School Mrs Emma Bamber

**Dear Parents and Carers,**

As part of our seasonal learning, we will be taking the children on an **Autumn Nature Hunt around Oldway Gardens**. These walks take place each season to help the children develop their observation skills and enjoy the changes in nature.

The dates for the visits are as follows:

- **Goodrington Class and Broadsands Class – Monday 13th October**
- **Preston Sands Class and Shells Nursery Class – Tuesday 14th October**

We aim to leave shortly after registration (around 9.00am) and anticipate that the walk will take no longer than an hour. During the walk, the children will be looking for signs of autumn and taking part in an **Autumn Nature Hunt**.

To make this visit possible, we will need a **high level of adult support**. If you are able to help, please let your child's class teacher know as soon as possible. Parents who are helping are welcome to stay with their child's class at drop-off and accompany us straight from school.

**What children will need:**

- Wellies (named) – please also provide a bag with their school shoes inside.
- If wellies are already in school, staff will help children change as soon as they arrive.
- Please ensure all items, especially shoes, are clearly named.

Thank you for your continued support. We are really looking forward to this seasonal learning opportunity with the children.

Yours sincerely,  
Eve Edwothy

**Lower School Assistant Head**
