21st September 2026

Headteacher Mrs Emma Bamber

Dear Parents and Carers,

Please read the following important information before you read the letter below.

Last week, we sent the letter below to a number of parents regarding an online safety concern. We specifically contacted the parents of children who had told us that they had accessed the website in question.

We are aware that the letter has since been shared more widely and that this has understandably led to questions and concerns being discussed within some class WhatsApp groups; the main concern being why the information was not shared with the whole of Year 6.

Our original decision was based on a desire to avoid causing unnecessary worry to families whose children had not accessed the website. Having since spoken with a parent who took the time to contact the school and discuss their concerns with us, we have decided to share the information with the whole year group.

We hope that by doing so, we can provide you with the information you need, answer some of the questions that may have arisen and, importantly, reassure you that we have taken this matter very seriously.

The safeguarding of our pupils is always our highest priority. We have acted promptly, followed our safeguarding procedures and will continue to monitor the situation closely. We are also continuing to support and educate our pupils around safe and responsible use of the internet.

Please take the time to read the information below carefully. If you have any questions or concerns following reading it, please do not hesitate to contact the school directly.

Thank you for your continued support and for working with us to keep our children safe online.

Yours sincerely,

Emma Bamber

Headteacher
