Breakwater Beach - 93.75%

Shoalstone Beach - 91.41%

St Mary's Bay - 92.26%

Attendance at school is vital for learning. If your child's attendance is less than 95%, their learning will be affected by their absence.

Head of School Message

Dear Parents and Carers,

What a busy half term it has been despite it being a short half term with bank holidays! We have had such a lot of opportunities to be involved in sport, theatre, our history project, healthy eating and so much more. Don't worry, we have managed to squeeze in plenty of school work and are so proud of the progress we see in books and hear about from teachers. Year 6 completed their KS2 SATs and we couldn't be prouder of their hard work, resilience and amazing attitude to learning. It was such a highlight for all staff involved. We have also had several visits from professionals who have commented on how amazing our children are moving around the school in their 'legendary lines' and how polite they are. We promote 'marvellous manners' and see them in action every day. Don't forget that if you have any questions or queries, we always have staff welcoming you to school on the gates who would be happy to answer any questions. Have a lovely half term and we look forward to seeing you on Tuesday June 3rd.

Emma Bamber
(Head of School)

School Opening Times

The school gates are now open at the following times:

Morning opening times: 8:30 - 8:45

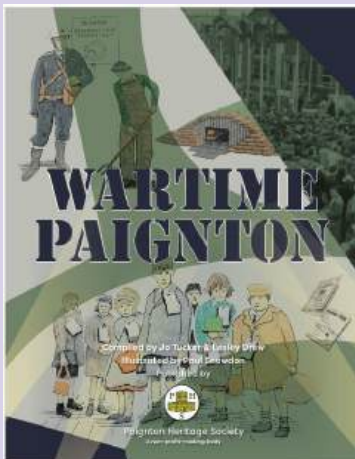

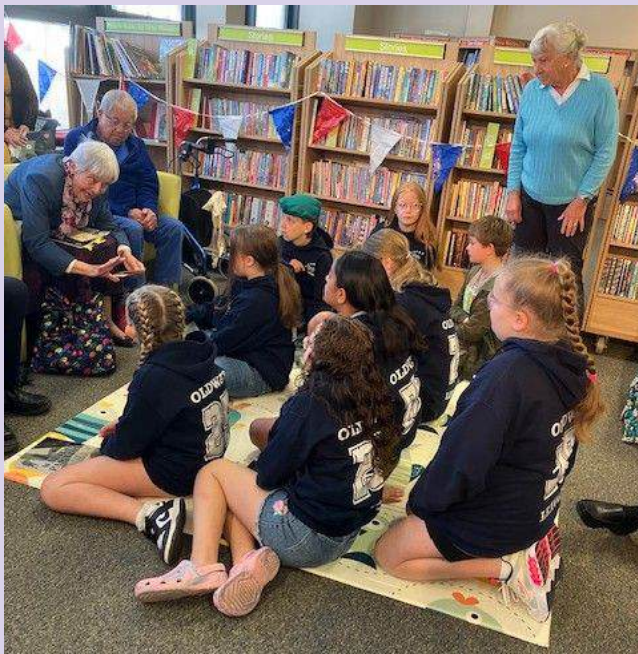

Morning registration: 8:45

Afternoon opening times: 3:10 - 3:30

Please be aware that the staff car park is closed to anyone apart from disabled badge holders from 8:00 - 3:30.

Year 6 Historians

On Saturday 10th May, our Year 6 historians went to Paignton went to Paignton Library for the launch of the book 'Wartime Paignton' - the second part of the collaboration between Oldway Primary School and Paignton Heritage Society. The book draws upon Oldway's headteacher log books from the 1940s, to explain what life was like for children during World War 2. The pupils listened to extracts read by the authors, had a Q and A with local resident Heather Reed and picked up signed copies of the book as a reward for their efforts. Huge thanks to Mr Harman for all his work with our children and the Paignton Heritage Society.

Eat Them to Defeat Them!!!

Peppers = defeated... Carrots = defeated... now the broccoli have been defeated too!! Eat them to defeat them is a national initiative to get children to eat more veg in a fun way. [Please watch the video from the linked website to see the national television advertising campaign.](#)

As part of the national 'Eat them to defeat them' initiative, each Oldway pupil from Reception to Y6 have been offered a bit of a broccoli, carrots and peppers to try in class. It has been really fun!

Keep your eyes peeled on our school Facebook page to see more about this in the upcoming weeks. No pupil will be forced to eat vegetables during this time.

Oldway Sporting News

We have had lots of exciting sports events recently. Here are some of the exciting things that have been happening.

Oldway Netball Team

The Oldway netball team had a fantastic day at the Devon County finals in March. They spent the day playing against different schools from around Devon and demonstrated great sportsmanship and resilience throughout.

Both Oldway netball teams also played in a Riviera Trust Netball Tournament at the end of last term. They won every match and showed fantastic teamwork.

Well done!!!

Football News

Year 3/4 Girls' Doel Cup

On the 9th May, our Y3/4 girls were invited to play in the Doel Cup and had the best time during the morning!

Many of the Y4 pupils were out on residential but we still had lots of willing players to take to the tournament. They finished runners up in their group and runners up again in their cup league.

Lacie scored 3 goals and one of them was a rocket from the halfway line!
Matylda also scored a great goal!

Aandria stepped into goal for part of the tournament and was amazing! It was her first time in goal too!

Miss Lewis, who was their coach for the day, was very impressed with not only their footballing skill but the excellent sportsmanship from all of the players. Well done girls!

Football News

Year 3/4 Boys' Doel Cup

Oldway showed great teamwork, resilience, and determination to come runners-up in the Saints Southwest Doel Plate.

They started the day coming third in their league, drawing most of their games, and losing just one game against Highweek.

Following this, they took part in the Plate League. Oldway managed to win all of their games in this league, scoring a whopping 14 goals. A special mention to Harry H, Alexi, and Koooper, who all scored some amazing goals. Finally, they had to play Hazeldown School in the final. It was an incredibly hard-fought game where Oldway hit the post twice and had a penalty saved. Unfortunately, Oldway lost this game 1-0 and came second overall in the Plate League.

We are all extremely proud of their achievement and how much team spirit and sportsmanship they displayed. They were great ambassadors for Oldway.

Football News

Year 5/6 Boys' Doel Cup

It was a brilliant day in the sunshine and we are pleased to share that we won the plate competition!

We started the day slowly and by the end of the morning, we had finished 3rd place in our group. This meant that we went into the plate competition. We were unbeaten during the afternoon and finished top of the group on goal difference. This meant that we then played the team who topped the other group in the final. It was a very close match but with only minutes left, Rowan found the top corner with a great finish. There was still time for the opposition to come very close to an equaliser, with a free kick, but Harry pulled off a match winning save to keep our lead intact.

We are very proud of the lads, who have now picked up their second trophy of the season.

Another day that the lads are unlikely to forget.

Thank you to all of the other schools involved in all the Doel Cup events and the coaches from Saints Southwest for the thoroughly enjoyable days!

Football News

Achieve 4 All Football Success!!!

At the end of last term, two of our Y5/6 football teams took part in a football festival hosted by Achieve4All.

It was a brilliantly run tournament and we are pleased to share that we won!

One team finished as overall cup winners after winning all of their league games and the cup final too. The other team won the plate final after finishing in 3rd place in the league.

As you can see, the players all had a day that they are unlikely to forget.

We are looking for a local business to sponsor our football teams. If you or someone you know might be interested, please contact the school office on oldwayoffice@rivieraet.co.uk or 01803 557190.

Football News

Finals Night Success

Our football teams took part in the the Paignton Schools' League football Finals' Night in the beautiful sunshine at the Kia Speedwell Stadium in Stoke Gabriel.

After competing all season in the league, our Y5/6 boys, Y5/6 girls and Y3/4 mixed football teams all qualified for their respective semi finals.

It was a great evening and all of our teams left with silverware!

The Y3/4 team qualified for the Cup Final, eventually lifting the runners up trophy. The Y5/6 girls qualified for the Plate Final, which they won! Finally, the Y5/6 boys continued their good run of form by qualifying for the Cup Final, and banished two years of penalty heartache by lifting the cup as winners!

We are very proud of all of the players and their coaches, who have given up so much of their time leading training sessions and matches throughout the year. Thank you also to the parents and staff from the school for your loyal support, not just tonight but throughout the year. A thoroughly great way to end the season!

Football News

Penalty Heartbreak at Plainmoor

This morning, our Y5/6 Boys' Football team took part in the TUFC Schools' Cup held at Plainmoor, home to Torquay Utd!

The boys again started slowly but finished off their league fixtures with a 2-0 win. This placed them 3rd in the group and meant that Oldway would be competing in the Plate competition.

A convincing victory in the quarter final and a last minute winner in the semi final meant that for the fourth tournament in a row, Oldway had reached a final. But on this occasion, luck was not on our side and following a 0-0 draw in the final, it went down to penalties, which sadly we lost.

Despite the heartbreak of losing on penalties, the boys left upbeat, knowing that they had done themselves proud and that they had just had the opportunity to play at the home of football, Plainmoor!

It was a really good morning and we couldn't be more proud of the way the boys conducted themselves throughout. Of course we love to win, but to be graceful at the hands of defeat shows true character. Well done lads!

We are looking for a local business to sponsor our football teams. If you or someone you know might be interested, please contact the school office on oldwayoffice@rivieraet.co.uk or 01803 557190.

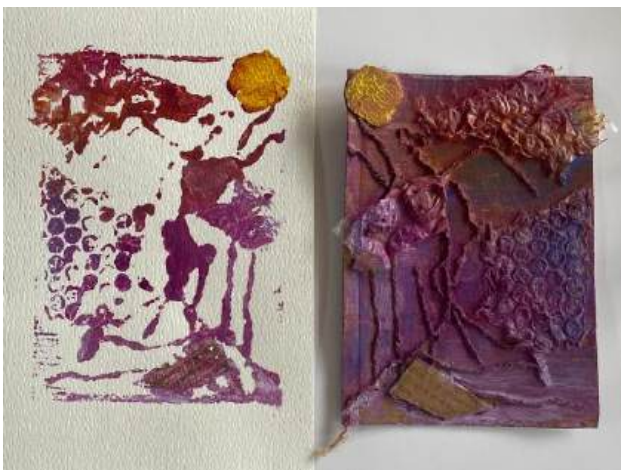

Year 6 Easter Baking

Some of our year 6 pupils enjoying a seasonal baking treat with expert support from Mrs Hiscoke.

Year 5 Collagraph Printing

Year 5 explored the theme of 'Journeys,' inspired by illustrator William Grill. They began by creating personal map collages before developing their own journey sketches. Using these designs, they built textured collagraph boards, sealing them for durability. Finally, they applied paint and used rollers to print their finished pieces, bringing their journey-inspired artwork to life. To complete the process, they evaluated their work, identifying what worked well and what could be improved.

Hot Chocolate with the Head

We have really enjoyed celebrating all these children who have impressed their teachers by following the Golden Rules and demonstrating our school values. 'Hot Chocolate with the Head' is definitely a highlight of every week.

Ice Lollies with the Head

As we have welcomed the nicer weather, we have started enjoying ice lollies with the head.

Attendance Champions

Babbacombe Beach (Y3) were our first attendance champions with the best average attendance across the half term. They enjoyed a special attendance breakfast in our Adult Learning Centre and had a great time. Who will be the next class to win?

Safeguarding Message

Exam Self Care - Young Minds

We all know that exams are extremely challenging, not only because of what we have to learn, but also because they can affect our mental health. We're told to take regular breaks, but some find it hard to know how best to use them. Exam pressure is a rich topic for which there is plenty of advice. However, much of this advice focuses on study techniques to memorise exam topics. The reality is that much of the most vital revision is executed when one is not revising. Sometimes this aspect of revision can be more important than the active element. If interested in finding some top tier self-care tips to share with your class, please follow the link below:

<https://www.youngminds.org.uk/young-person/blog/exam-self-care/>

Swimming Gala

We love swimming at Oldway and we're very proud of these swimmers who were very successful in a recent gala. They all swim for Paignton Swimming Club under 9s and competed in the East Devon mini league. The boys came second in the 50m medley relay and second in the 50m freestyle relay. Davyd came first in the 50m freestyle. Well done to all of you!

Animals in Distress Fundraising

What a fantastic start to the summer term! Senna, one of our Y6 pupils, has raised nearly £200 for Animals in Distress as part of the civic award. Clare and Lorna, from Animals in Distress, brought a special guest - a 12 week old puppy called Logan - to assembly. They presented Senna with a certificate to thank her for her fundraising.

Able and Talented Workshop

Some of our Year 4 pupils attended an 'able and talented' workshop at TBGS, entitled 'Food Glorious Food.' In geography, they got to grips with food miles and where different foods come from. In a languages lesson, they looked at traditional foods enjoyed in different countries and got their tongues around some new words! Finally, in Food Tech, they rolled up their sleeves and followed a basic recipe, learning about ingredients and putting their measuring skills to the test.

'Snooze at the Zoo'

Have you ever wanted to 'Snooze at the Zoo'? Our Year 4 children have had the opportunity to do just that at Dartmoor Zoo on their residential. They had a fantastic time and will have lots of stories to tell.

Woodwork Club

The children had a brilliant time designing and making their very own hedgehogs in woodwork club.

Reception 'Dear Zoo'

Our Reception children have started reading the story 'Dear Zoo'. We talked about which animals are in the story and their features. Take a look at our amazing artwork using paint and oil pastels!

Christchurch

We enjoy a lovely friendship with the community at Christchurch, our local church. They have shared some photos of our recent visit with Year 2 who were learning about what Easter means for christians.

Year 5 RAMM Visit

Year 5 visited Exeter RAMM to take part in 'Time Odyssey', an exciting national learning programme. Using iPads and augmented reality, the children embarked on a quest through the museum, bringing history to life in a whole new way.

Year 2 Paignton Zoo Trip

Year 2 have all had the opportunity to visit Paignton Zoo this term. The children showed off their animal knowledge, best listening ears and teamwork. What fantastic Riviera Citizens!

Year 4 Cayman Golf

Year 4 thoroughly enjoyed their sessions at Cayman Golf. All pupils demonstrated resilience when learning to play and great sportsmanship on the course.

Paddleboat Theatre

We were very lucky to have a visit from Paddleboat Theatre Company funded by OSF. EYFS and KS1 thoroughly enjoyed their production of 'The Elves and the Shoemaker' and year 1 enjoyed their workshops. Paddleboat Theatre are returning in the summer term with a show for KS2. What a treat! Thank you, OSF!

Year 3 are Growing!!

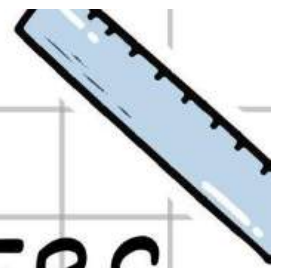

Torbay Public Health has funded the "Growing to Love" programme to teach children about the importance of vegetables by engaging them in the process of growing their own tomatoes from seed to fruit. This hands-on experience not only promotes healthy eating habits but also enhances their understanding of the food chain, sustainability, and the environment. Year 3 have planting their Tomato seeds from the Growing to Love Tomatoes pack. We're excited to taste the finished product.

Cricket Taster Sessions

Year 4 had a great time when Paignton Cricket Club visited to give them a cricket taster session. For those who were inspired to take up the sport, cricket for their age group is on Fridays from 5-6pm at Paignton Cricket Club.

Y6 PARENTS/CARERS

You are invited to an online workshop:

SUPPORTING A SUCCESSFUL SECONDARY SCHOOL TRANSITION

DATE - MONDAY 23RD JUNE 2025

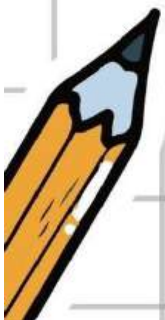

TIME - 15:45 - 16:45

ONLINE VIA TEAMS (joining code below)

Discuss the
common
secondary
transition
concerns.

Helpful tips to
support your
child's mental
health during the
transition.

Explore signs and
reasons for

YOUR EXPERTS

Jane Eeles

Training Facilitator Professional and Community Education

I have been teaching for several years, with a background in Early Years and Social Science. I am passionate about education and child development. I am originally from London but love living in Devon, where I enjoy the beautiful surroundings.

Outside of teaching, I enjoy walking on Dartmoor, immersing myself in nature. I also love reading, whether for relaxation or expanding my knowledge. Most importantly, I cherish spending time with my family and friends, creating meaningful memories together.

Sally Squires

Lecturer Society and Education

I have been fortunate to work within multiple organisations in education, starting in Early Years managing a chain of children's day nurseries throughout the South West, and more recently within Secondary, Further and Higher Education, at South Devon High School, South Devon College and University Centre South Devon.

My passion for inclusion and supporting children and young people has derived from parenting my own children, both of which have Special Educational Needs and Disabilities. I love working with families, who like mine, may have additional challenges to face. Every workshop I deliver is a chance for us to grow and learn together.

Susan Cook

Essential Skills and Family Learning Lecturer

I have been working within the Family Learning team for almost 10 years, delivering courses to parents to help support their children with literacy and numeracy.

Before joining Family Learning, I attended some of the courses as a parent and was then fortunate enough to join the team.

My approach is to make learning fun, accessible and relevant, making sure everyone feels included and supported. I aim to help parents and carers boost their own confidence in literacy and numeracy to enable them to support their children at home and in the wider environment.

Rachael Huxley

Adult Skills and Lifelong Learning Trainer Facilitator- Community Engagement

I specialise in family learning and community engagement, using craft-based literacy activities to inspire learning. Through interactive story boxes and hands-on creative projects, I help families connect with stories in meaningful ways. Passionate about lifelong learning, I create inclusive spaces where families can be creative together.

Jess Tucker

I have worked with young people for the last 18 years. I am passionate about careers education and personal development learning that helps empower and move young people forward, recognising their own potential. Having been indoctrinated into ways of working relationally and restoratively only in recent years, I have already seen the positive impact of changing my own behaviours to help meet the needs of those I work with and changed my way of thinking about my relationship with my own children.

I also love to do anything creative and spend much of my free time crocheting, painting, drawing and making.

COME AND CHAT WITH STEVE DARLING MP

Let's Talk About SEND

WHERE? TORQUAY LIBRARY

WHEN? TUESDAY 27 MAY 2025

TIME? 10:30 – 11:30

DURING THE VERY HUNGRY CATERPILLAR STORY &
CRAFT SESSION

Steve will be at Torquay Library to listen to your views and experiences on SEND (Special Educational Needs and Disabilities) in Torbay.

This is a friendly, informal chance to:

- ✓ **Raise concerns**
 - ✓ **Share ideas and experiences**
 - ✓ **Help shape better local SEND support**
- 

Families attending the session or dropping in are welcome.

**Piano, Violin and
Singing lessons
now available.**

**All lessons are
1-2-1 or groups of 2.
Lessons take place
during the school
day or after school.**

**1-2-1 lessons:
20 minutes £12.50
30 minutes £18.25**

**Strings and singing
groups from £6.25
per child.**

Attendance & Punctuality

Making sure your child goes to school on time is really important for their learning. If they're late a lot, it can cause some issues.

It's important for children to be on time for school because it helps them do their best in learning. Being punctual means forming good habits for the future. So, it's a big deal that your child gets to school on time.

Here's the deal: according to the Department for Education's rules, there's a specific time in the morning when schools stop marking who's there. If your child shows up after that time, they won't just get a late mark – they'll be marked as absent (*unauthorised absence*) for the whole morning.

If your child is late because of something important, like a doctor's appointment, the school will understand that. However, if there's no good reason, they'll mark it as an unauthorised absence.

So, it's best to be on time! Here are some things you might want to know:

Why does my child get marked absent for the whole morning even if they came before lunch? If your child arrives after a certain time in the morning, the school has to mark them absent (unauthorised absence) for the whole morning. It's a rule they have to follow.

Can I get a fine if my child is late a lot? Yes, if your child has 10 or more times of being late (unauthorised absences) without a good reason, you might get a fine.

It seems a bit strict that my child gets a late mark if they are just a couple of minutes late. Schools have rules about being on time, and being even a little late can count as not being on time. It's important to try to leave early to avoid being late.

What if our whole family overslept, and it's not my child's fault? Even if it's not your child's fault, being late because of oversleeping is still counted. They might get a late mark or be marked as absent (unauthorised absence), depending on how late they are.

What if there's a traffic jam or something else that's not my fault? The school usually can't change the rules for one person, but if there's a big problem, like heavy snow causing delays for many people, they can make allowances.

What if I tell the school my child will be late? Do they still get a late mark? Yes, they might still get a late mark, but it's good if you tell the school. They'll know you're aware, and it helps if you say when your child will arrive and why they're late.

Do I have to tell the school if I know my child will be late? It's really helpful if you do. If your child is very late, telling the school might help them understand why and maybe say it's okay.

What if I am trying to get my child to school on time but they don't want to go? If your child is refusing to go to school on time, you can contact the school. They have a team that can work out why and maybe help your child and you.

LOST MINUTES = LOST LEARNING!

! If a pupil arrives late, but before 9.05, they will be marked as late (L)

If a pupil arrives after 9.05 they will be marked as absent for that session (U)

Oldway School Uniform

Please see our school uniform detailed below. You can purchase items school uniform with the school logo from [Riviera School Days](#) and we also promote unbranded school items from local supermarkets.

Winter	<ul style="list-style-type: none">● Navy V-neck jumper/sweatshirt/ cardigan● Charcoal grey or black trousers/ skirt/ pinafore dress● Light blue short sleeved polo shirt
Summer	<ul style="list-style-type: none">● Navy V-neck jumper/sweatshirt/ cardigan● Charcoal grey or black trousers/ shorts or skirt/ pinafore dress● Light blue short sleeved polo shirt● Blue gingham dress
Sports kit	<ul style="list-style-type: none">● Light blue PE shirt available● Navy shorts/tracksuit bottoms/leggings● Trainers (not plimsolls) <p>On PE days, we would like children to still wear an Oldway jumper or cardigan. We recommend that the children wear tracksuit bottoms/ leggings in the winter months. We request that children DON'T wear a tracksuit top.</p>
